## FOREWORD

Welcome to Green Belt's Sprint at North Weald.

We are pleased to welcome back our sponsors for the tenth year, TAMS Packaging of Cuffley. Steve Tammadge has supported Green Belt MC for many years and through his support we have been able to keep the cost of the event down despite rising costs.

This year sees the event as a round of five championships, so a healthy entry is expected. Green Belt continues to run an event with a reasonable entry fee with help from the MSA insurance refunds and through subsidising its own members with discount entry fees.

For 2015 the organising team welcome once again our friends from Harrow Car Club with whom we have teamed up to assist in running each Club's event.

We look forward to seeing you on the day.

The Organising Team

## GREEN BELT MOTOR CLUB

The Green Belt Motor Club is one of the largest and most active motor clubs in the Hertfordshire/North London area. The Club has a large and varied programme of both motor sport and social events with something to offer just about everyone who is interested in motoring and motor sport.

For 50 years Green Belt Motor Club has been organising road rallies, special stage rallies, autotests, sprints, autocrosses etc. The Club also holds a number of social events during the year, including an annual Dinner & Dance and Christmas Meal. As well we organise several Treasure Hunts, 12 Car Rallies and Rally Navigation classes.

Green Belt Motor Club runs a total of seventeen Annual Championships which are open to all members with awards being presented to the most successful competitors in most areas of motor sport.

The Club enjoys a first class Club Magazine which is published every month, detailing club activities, motor sport and social events. Previews, reports, results and opinions of all kinds of events feature regularly.

Green Belt Motor Club meets every Wednesday from 9.30 p.m. at: The Two Brewers, Northaw, Herts (Map ref. 166/279022).

Why not come along and join us! Everybody is welcome.

All vehicles must comply with MSA safety regulations as per 2015 MSA Yearbook section J5.1 to J5.20.13 and sections S10 to S15.2.1 being specific regulations for Sprints and Hillclimbs, unless modified below, and the relevant sections of K as referred to in section S. Competition Car Log Books will be required for all Hill climb and Sprint cars unless the car is currently taxed and insured for use on the public highway and competing at the event in a road going class (S9.1.7).

Cars using forced induction will be classified as having an engine capacity increase of 40%; those using diesel fuel a reduction of 30% (e.g. a 2000cc turbo diesel will be considered to be equivalent of 1960cc normally aspirated petrol engine).

Cars may only be entered in their appropriate class. However the organisers reserve the right to adjust or amalgamate classes at their discretion in the interests of fair competition.

**LICENCES** – To compete in a Single Seater Racing or Sports Libre Car, manufactured after 31/12/1960 of more than 2000cc, the driver must hold a Speed National A [OPEN] or Race National A licence unless the car is currently licensed for use on the public highway, in accordance with S7.1.5. Sports Libre cars include Special Saloons and Sports Racing cars as in S14.1.

10. Identification numbers must be shown on BOTH SIDES of the car, S9.2.5.

11. All other General Regulations of the MSA apply as written except for the following which are modified:
- S9.2.3 A driver may only be permitted a maximum of two entries and these must be in different classes. The same car may not be entered to compete for the same award more than twice, and then only provided it is driven by different drivers.
  - S9.3.1 Practicing and tyre warming is forbidden as there is no designated area at this venue. Anyone caught carrying out such activity may be excluded from the meeting.
  - S9.3.7(b) When a red flag is shown Q15.1(j) applies.
  - S9.5.1 The number of runs will be determined on the day, the fastest run to count for the results.
  - S9.5.4 A penalty of 5 seconds will be applied for striking a course penalty marker.
  - S9.6 Judges of Fact will be appointed for S9.6 (a) and (b).
12. Cars will start singly. The starting signal will be a GREEN light. Timing will be automatic and activated by light beam (S9.1.6). The attention of competitors in all classes is particularly drawn to S10.9. Any vehicle not fitted with a timing strut in accordance with this regulation WILL NOT BE TIMED. The finish line will be indicated by a FINISH board and a CHEQUERED flag.
13. Practice - Competitors will have the opportunity two timed runs. Any competitor new to the venue may also have the opportunity of a convoy run and all competitors may walk the course prior to the Drivers briefing.
14. **AWARDS** will be presented as follows:
