

Harrow Car Club Classics on the Green Croxley

2pm onwards

Wednesday 5th August

We are looking to display a variety of interesting cars that will attract new members and stimulate peoples' interest in grass roots motorsport, either as a competitor or an official or marshal. This is one of the largest, free, car shows around.

Harrow Car Club Classics on the Green Croxley

2pm onwards

Wednesday 5th August

Harrow Car Club will endeavour to meet and assemble our stand in our now regular position along the rear hedge line to the North of the Green. We are hoping to have our pitch marked out by 2pm. It gets busy very early, so if you are planning on coming, its best to arrive as early as you can.
