FOREWORD

The Harrow Car Club was established in 1934 and has been organising events at North Weald airfield since the mid 1960's. Since then the technology and format of the event has moved on considerably, although the basic goal of the event has always remained to offer great value with enjoyable motorsport aimed at a club members level.

Once again this event is co-promoted and organised between the Harrow Car Club and the Green Belt Motor Club with the same 2.0 km open course as used for our April sprint meeting.

Competitors are reminded that ALL cars must be fitted with a timing strut as described in the MSA handbook, and numbers that are clearly legible from both sides of the vehicle. Without these your vehicle will not receive a time.

The events we compete in cannot run without the efforts of our team of marshals and officials. If you are unable to compete, why not help to make your sport possible by coming along to help-out... and we always take the opportunity to welcome new Club members.

Keith Warner of the HCC is the Chief Marshal for all enquiries to assist, and can be contacted by telephone on 01923 672917 or mobile 07800 875835 or mrkwarner@hotmail.com

For sponsorship interest and enquiries of this event please refer to www.harrowcarclub.net or the contact details above.

We very much look forward to seeing you on the day.

From the Organisers

All vehicles must comply with MSA safety regulations as per 2015 MSA Yearbook section J5.1 to J5.20.13 and sections S10 to S15.2.1 being specific regulations for Sprints and Hillclimbs, unless modified [next section] and the relevant sections of K as referred to in section S. Competition Car Log Books will be required for all Hillclimb and Sprint cars unless the car is currently taxed and insured for use on the public highway and competing at the event in a road going class (S9.1.7).

Cars using forced induction will be classified as having an engine capacity increase of 40%; those using diesel fuel a reduction of 30% (e.g. a 2000cc turbo diesel will be considered to be the equivalent of 1960cc normally aspirated petrol engine) and a rotary engine an increase of 50%.

Cars may only be entered in their appropriate class. However the organisers reserve the right to adjust or amalgamate classes at their discretion in the interests of fair competition.

LICENCES – To compete in a Single Seat Racing or Sports Libre Car, manufactured after 31/12/1960 of more than 2000cc, the driver must hold a Speed National A [OPEN] or Race National A licence unless the car is currently licensed for use on the public highway, in accordance with S7.1.5. Sports Libre cars include Special Saloons and Sports Racing cars as in S14.1.

ELIGIBILITY - In the event of a dispute concerning the compliance of a vehicle to the regulations for the event the onus will be on the competitor to prove the compliance to the organisers.

All other General Regulations of the MSA apply as written, except the modified

S9.2.4 A vehicle may be entered twice by two different drivers.

7 AWARDS
