BRAKEFAST AUTOTESTS, PCA & AUTOSOLO
12th March 2016

The BRAKEFAST is back at Bovingdon! It has been a couple of difficult years with the planning situation at Bovingdon Airfield. The Harrow Car Club is the only motor club who is allowed to hold competitive events and then, only on a Saturday up until 1pm. So, after a successful trial event last year the Harrow and Middlesex clubs are getting together to run a regional championship autotest for the regular Brakefast trophies, a PCA autotest and a free flowing AutoSOLO. All 3 events will use the same basic pylon layout with the autotest tests all forwards to start off with and just a small amount of reversing for the final tests. The pylon layout will be such that all cars will be able to drive round easily – it's just going quickly which will be difficult! With the time restrictions it will be full action from 9 till 1 and then you will have the rest of the afternoon free. There is a maximum entry over the 3 events of 25 so please get your entries in early.

Peter, Guy and the team.
