SEPTEMBER SIMPLY SIDEWAYS

AUTOSOLO

SATURDAY 19TH SEPTEMBER 2015

A ROUND OF THE MCAC CHALLENGE

September Simply Sideways AutoSOLO

Saturday 19th September 2015

After the problems associated with the noise issues at Bovingdon Airfield and the resulting planning applications and appeals the Harrow Car club and Middlesex Automobile Car clubs are pleased to announce the first running of the September Strictly Sideways AutoSOLO.

The current planning restrictions restrict competitive events to Saturdays but only between the hours of 09.00 and 13.30. We will conform to this and have two test sites running on the main runway with 3 runs on each test with the slowest time discarded. We are planning for 8 different test layouts. There will be no lunch break which will give all competitors an intense day of AutoSOLOs.

For this trial set up the event is only open to members of the Harrow Car Club and Middlesex County AC and limited to just 20 entries.

If you are not already a member of the clubs, we are offering a 'taster' membership to Middlesex County for £5 for 3 months, which will allow you to enter on the day. After this, you can join for a full year for only £15.

For all events there will be at least 3 runs at each test with the best time counted. If there are more than 2 runs then the slowest time is discounted.

The venue is Bovingdon Airfield, near Hemel Hempstead, Herts (map ref: 166/009046). It is within 6 miles of the M25 junction 20 and the M1 junction 8, approached via the A41. You should leave the A41 at the Bourne End Services sign and take Upper Bourne End Lane, which is a turning off the slip road to the Services. Continue to the end of the lane, turn right through gate and follow arrows on to airfield. Note - there is no access from B4505 or Bovingdon village.

More than anything, we can promise you an enjoyable day's motorsport, and look forward to seeing you on 19th September.
