

A gathering of folk previously attending our Motor Racing film show days over the years for a summer open air get together reunion . This is your invitation for yourself plus partners family and friends even dogs on a lead.

So, now for something a little different to meet up again.

A fixture you can put in your diaries now here at my home in Herts (a mile from the film show venue) at SG112HS

# Fleastock or is that Glatalbury

Sunday 11th June Live music by  
the water all afternoon

You are all invited along with previous motor racing film show attendees. Do please come in classic and sports cars for a display line up if you have something old, interesting or competition unusual etc if you can

- last year a surprisingly good turn out as a lot of wives came along which was really nice , we had a hot summer's day with deckchairs (must bring your own chairs - and picnic too if you wish) fanned out around the band ....which will be bigger with electrical power and with PA and amplification this year but it will be gentle and melodious we will not be frightening the wildlife think more James Taylor style (rather than AC/DC) sunny Sunday afternoon songs and playing

It gives us a better chance of warmer dry weather than earlier, gives everyone time to prepare and time to invite as many as we can with a chance of them not yet being booked up

The band members, are a group of about half a dozen or so friends from the Welwyn Garden City area who play at local venues, guitars and hopefully saxophone . Repertoire, format, line up band numbers etc to be decided by them etc .Shall we say popular /folk music and songs from the 20th century . I am going to tell people to start arriving midday onwards 12.00pm . expect people typically leave at 5.00pm ish

Will and Rebecca , with Jane's guiding hand and culinary skills you are all familiar with, will be putting on hot hand held food and drinks at lunchtime and tea and cakes in the afternoon you can purchase if they wish . There is no admission charge but there will be a collection for the

band . Anyone is welcome to attend , plenty of parking it is a big field , a tent and stools for the band . There will be a 240v generator for power . Both live playing and a playlist of popular recorded music between sets . If you would like to come along and be a part of this reunion please reply to me now to book (no charge) and give me an indication of numbers **and if you are likely to want to buy food and drinks on the day** , burgers, hot dogs, tea, coffee, cakes etc so that we can make provision of the right amounts in advance .

So it is 3 weeks away - the sooner you can let me know if you wish to attend the better- hope for a lovely summer's day . Final details and directions to those who book by email reply nearer the time .
